MANAGEMENT DISCUSSION AND ANALYSIS REPORT**A. Industry Structure and Development**

IT Business of most Indian Software Development companies can be classified into Onsite Consulting Services, Offshore Software Services, Product Sales and IT Enabled Services. While Onsite Consulting Services has witnessed a steady growth, Offshore Software business has experienced a significant upward change either through Dedicated Development Centers for overseas partners or Joint Ventures. The product sales of Indian companies in the international markets has been miniscule, while IT enabled services business has seen a strident growth during the last 4 to 5 years.

The future direction clearly favors Offshore Software Services and IT enabled Services.

B. Opportunities

- a. Offshore Software Maintenance and Enhancements
- b. IT Enabled Services/BPO Operations.
- c. Increased IT spending within India.

C. Threats, Risks and Concerns

- a. Competition from countries like China and East European Countries in the medium to long term.
- b. Large international companies establishing their own subsidiaries instead of depending on Indian Companies.
- c. Countries like USA bringing in legislation to prevent work from going to outside Countries.

In spite of certain negative factors in the international markets, company believes that there are enough global opportunities to be tapped. Countries like China will take a few more years before they can provide wide ranging Software Services of high quality. Company intends to concentrate on Offshore opportunities in Software Maintenance and IT enabled services space as well as computer education and training in the coming few years.

D. Segment wise Performance

Statement of Accounting Standard - AS 17 issued by The Institute of Chartered Accountants of India on Segment Reporting is not applicable to the company as there is no reportable segment which meets the criteria laid down under this standard.

E. Outlook

The management is planning to make reasonable business in the areas of Health Care, Library Management and Training and put more marketing efforts to secure Business. The company however suffers lack of working capital and lack of business. The company is not able to raise finances due to the losses incurred by the company over the past few years, which have reduced the company to negative net worth. Your directors are contemplating various measures for improving the strength of the balance sheet and to enable the company to raising of investment and other form of funding.

F. Risk and Concerns

The slowdown situation in USA and Europe may lead to more restrictions on off-shore projects and stringent norms for Onsite Consulting services.

G. Internal control system and their adequacy

The Company has established adequate internal control systems and procedures both in financial and operational areas that are commensurate with the size and nature of the business of the Company. The constitution of Audit Committee with independent non-executive Directors is instrumental in ensuring mainly the following:

1. Oversight of Company's financial reporting process and the disclosures of its financial information to ensure that the financial statements are correct, sufficient and credible.
2. Reviewing with management the annual financial statements before submission to the Board, focusing primarily on any changes in accounting policies, compliances with accounting standards etc.
3. Discussion with the senior management to ensure adherence to the internal Control systems and processes.
4. To ensure that appropriate controls are established and are effective throughout every software development project and conforming to ISO 9001 requirements.

H. Discussion on financial performance with respect to operational performance

Financial statements are prepared under the Historical Cost Convention in accordance with the Indian Generally Accepted Accounting Principles and the provisions of the Companies Act, 1956.

The company suffered huge losses during the past several years. Most of the losses are on account of depreciation loss incurred over the years representing depreciation written off on software products developed by the company during the years 1995 to 2003. The company could not exploit the software products developed for various reasons including paucity of working capital resources. The losses incurred over the years are as under:

(Rs. In Lacs)

Sl. No.	Year	Total of Year
1	Year end March 2009	309.92
2	Year end March 2010	334.31
3	Year end March 2011	267.11
4	Year end March 2012	166.88
5	Year end March 2013	7.15

I. Material development in human resources/Industrial relations front, including number of people employed

Human Resource Development is a key area for growth and smooth functioning of any organization. The management recognized two major areas, which will lead to achieve this goal, namely, creating good working environment and imparting continuous training in latest technologies. Continuous up gradation of skills plays a key role in employee's retention and job satisfaction and company has taken adequate measures in this regard.

The company has cordial relations with its employees and staff.

Efforts of the company are well recognized in India as well as abroad.

Cautionary Statement

Statements in this management discussion and analysis describing the company's objectives, projections, estimates, expectations may be considered to be forward looking statements and actual results could differ materially from those expressed or implied. AUDITORS' REPORT

To
The Members,
FRONTIER INFORMATICS LIMITED,
HYDERABAD.

1. Report on the Financial Statements

We have audited the attached Financial Statements of **FRONTIER FORMATICS LIMITED**, Limited as at 31st March, 2013 which comprise the Balance Sheet as at 31st March, 2013, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statements and the statements annexed thereto

Management is responsible for the preparation of these Financial Statements that give true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including Accounting Standards referred to in Section 211(3C) of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Financial Statements and the statements annexed thereto that give a true and fair view and are free from material misstatements, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on the said Financial Statements annexed thereto based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by The Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Financial Statements. The procedure selected depends upon our judgment, including the assessment of risks of material misstatements of the Financial Statements, whether due to fraud and error. In making those risk assessments, we consider internal control relevant to the Company's preparation and fair presentation of the Financial Statements in order to design audit procedures that are appropriate in the circumstances. An Audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management as well as evaluating the overall presentation of financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements together with the schedules attached and read with the accounting policies and Notes forming part of accounts give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

- a. In the case of the Balance sheet, of the state of affairs of the Company as at 31st March, 2013;
- b. In the case of the Statement of Profit and Loss, of the loss for the year ended on that date; and
- c. In the case of the Cash Flow Statements, of the cash flows for the year ended on that date.

5. Reporting under other Legal and Regulatory Authorities

As required by the Companies (Auditor's Report) Order, 2003 issued by the Central Government of the India as amended by the Companies (Auditor's Report) (Amendment) Order, 2004 in terms of sub-section (4A) of section 227 of the Companies Act, 1956, we enclose in the Annexure, a statement on the matters specified in paragraphs 4 and 5 of the said order.

As required by Section 227(3) of the Act, we report that:

- a. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. In our opinion, proper books of account as required by law have been kept by the Company, so far as it appears from our examination of those books;
- c. The balance Sheet and Statement of Profit and Loss dealt with by this report are in agreement with the books of account.
- d. In our opinion, the Balance Sheet and the Statement of Profit and Loss dealt with by this report comply with the accounting standards referred to in section 211(3C) of the Companies Act, 1956, except for Accounting Standard -15, Accounting for retirement benefits in the financial statements of employer-refer point no.4 of Motes on Accounts.
- e. On the Basis of the written representation received from the directors as on 31st March, 2013, taken on record by the board of directors, none of the directors is disqualified as on 31st March, 2013, from being appointed as director in terms of Section 274(1)(g) of the Act.

FRONTIER INFORMATICS LIMITED(FIL)**CORPORATE INFORMATION**

Frontier Informatics Limited has been operating in the spears of Software Product Development, Training and Software Services since its incorporation in the year 1986. The company made its IPO in the year 1995 and is traded on BSE. The company achieved sizable operations during the years 1994 to 2004. The company has been suffering losses continuously since 2002.

The company changed its name to **FRONTIER INFORMATICS LIMITED**, from its previous name of *Frontier Information Technologies Limited*, vide fresh Certificate issued by the Registrar of Companies, Hyderabad dated 14.10.2011.

NOTE 1 : SIGNIFICANT ACCOUNTING POLICIES :**1.1 Basis of Preparation of Financial Statements:**

The financial statements are prepared in accordance with Indian Generally accepted principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards issued by Institute of chartered Accountants of India (ICAI), the provisions of the Companies act 1956. Management evaluates all recently issued or revised accounting standards on an ongoing basis.

1.2 Use of Estimates:

The preparation of financial statements in conformity with GAAP requires Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provision for doubtful debts, future obligations under employee retirement benefit plans, income taxes, and the useful lives of fixed assets and intangible assets.

1.3 Revenue Recognition:

1. Software consultancy fee comprises of :
 - a) Services valued and invoiced on the basis of work completed and / or delivered
 - b) Annual maintenance charges invoiced as appropriated for the accounting period.
2. Professional services are taken into account on the basis of services rendered during the accounting period at the rate agreed upon.
3. Student training fee receipts are accounted on accrual basis.

1.4. Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets. Subsequent expenditure relating to fixed assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Fixed assets acquired and put to use for project purpose are capitalized and depreciation thereon is included in the project cost till commissioning of the project.

Capital work-in progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

1.5 Intangible assets

Intangible assets are carried at cost less accumulated amortization and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (Other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase / completion is recognized as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably in which case such expenditure is added to the cost of the asset.

1.6 Depreciation

- a) Depreciation on fixed assets located in India is provided as per the rates specified in the Schedule XIV of the Companies Act, 1956 under Straight Line Method (SLM). The software Packages are depreciated as in the past on a consistent pattern.
- b) Depreciation on computers & software, vehicles, furniture & fixtures located outside India is provided as per the rates of depreciation specified in the local laws of the respective country provided the rates are not lower than the rates specified in Schedule XIV of the Companies Act, 1956.
- c) Depreciation on software products is made based on the estimated useful life of the assets, which is taken as 6 Years.

1.7 Foreign currency transactions and translations

Initial recognition

Transactions in foreign currencies entered into by the Company and its integral foreign operations are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance sheet date

Foreign currency monetary items (other than derivative contracts) of the Company and its net investment in non-integral foreign operations outstanding at the Balance Sheet date are restated at the year-end rates.

In the case of integral operations, assets and liabilities (other than non-monetary items), are translated at the exchange rate prevailing on the Balance Sheet date. Non-monetary items are carried at historical cost. Revenue and expenses are translated at the average exchange rates prevailing during the year. Exchange differences arising out of these translations are charged to the Statement of Profit and Loss.

Treatment of exchange differences

Exchange difference arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company and its integral foreign operations are recognized as income or expense in the Statement of Profit and Loss. The exchange differences on restatement / settlement of loans to non-integral foreign operations that are considered as not investment in such operations are accumulated in a "Foreign currency translation reserve" until disposal / recovery of the net investment.

1.8 Segment reporting

The Company identifies primary segments based on the dominant source nature of risks and returns and the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

1.9 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

1.10 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax, accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognized on timing differences, being the differences between the taxable income and the accounting income that originate in one period and is capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognized for all timing difference. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognized only if there is virtual certainty that there will be sufficient future taxable income available against which these can be realized. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their reliability.

During the past 10 Years the company has been incurring losses and does not visualize any significant improvement in the performance of the company in the near future. In such back ground the company is conservative in determining any Deferred Tax assets.

1.11 Impairment of assets

The carrying values of assets/ cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriated discount factor. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, except in case of revalued assets.

1.12 Provisions and contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

1.13 Investments

Investments are classified into current investments and long term Investments. Current investments are carried at the lower of cost or market value. Any reduction in carrying amount and any reversals of such reduction are charged or credited to the profit and loss account. Long-term investments are carried at cost less provision made to recognize any decline, other than temporary, in the value of such investments. Current Investments are reflected under Current Assets and Long Term investments are reflected under Non-Current Assets.

1.14 Valuation of WIP:

Raw material, work-in-progress, components, stores and spares and packing materials are valued at cost. Finished goods are valued at cost or net realizable value whichever is less.

1.15 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into know amounts of cash and which are subject to insignificant risk of changes in value.

1.16 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.17 R& D Expenditure:

Expenditure incurred on Research and Development of software tools and applications are written off in the year in which the expenditure is incurred. Assets used for research and development activities are included in fixed assets.

Dear Shareholder,

Sub: Green Initiative in Corporate Governance

The Ministry of Corporate Affairs has taken a "Green Initiative in Corporate Governance" by allowing paperless compliance by Companies through electronic mode. In accordance with the recent circular no.17/2011 dated 21.04.2011 and circular No 18/2011 dated 29.04.2011 issued by the Ministry, Companies can now send various notices and documents including annual report, to its shareholders through electronic mode to the registered e-mail addresses of shareholders. It is a welcome move for the society at large, as this will reduce paper consumption to great extent and allow share holders to contribute towards a Greener Environment. This is a golden opportunity for every shareholder of **Frontier Informatics Limited** to contribute to the corporate Social Responsibility initiative of the Company

We therefore invite all our shareholders to contribute to the cause by filling up the form given below and send it back to us in the attached postage prepaid envelope.

Let's be part of this 'Green Initiative'

Please note that as a member of the company you will be entitled to receive all such communication in physical form, upon request.
